Earth Day, Every Day!

The SWCD would like to thank AEP for the continued opportunity to reach students with the conservation messages. Students were able to enjoy wagon rides (when the weather was nice), decorating t-shirts, the recycle relay and a story teller, and animals from Wesselman Woods

Nature Preserve.

The SWCD followed the National Association of Conservation District's theme of: We all Need Trees!

14th annual Adventures With Nature: will be held at Tipsaw Lake

Please join us at Tipsaw Lake on June 25th, 2016 for the Adventures With Nature program! Our theme this year is Safety in the Wilderness. A \$3.00 Day Use Fee will be charged per vehicle to enter Tipsaw Lake, but all other activities are free of charge. For everyone's safety, no pets allowed.

A final presentation will be given by Argus K9 will begin at noon. Argus K9 assists local law enforcement agencies with searches for missing persons. We have a group of volunteers that train twice a week in all kinds of weather. Please visit www.argusk9.org for more information.
