Thank you for your support!

- April 22, 1970 was the first Earth Day celebrated.
- Earth Day originated in the United States in the 70s but was not celebrated worldwide until 1990!
- Earth Day is a worldwide celebrated holiday! It teaches environmental awareness in 121 countries!

COST SHARE AVAILABLE!

The SWCD will continue to provide cost-share on **cover crops**, **heavy use area protection pads (HUAPs)**, **watering facilities** (includes HUAP, pipeline and tank), and **pasture and hay land renovation**. If you would like an application for one of these cost-share projects, please contact the office: 812-649-9136 ext. 3.

NEW: Pollinator habitat and forage is also available for cost-share. Please contact the SWCD office for an application!

Funds for these program are provided by Clean Water Indiana and the Spencer County SWCD through affiliate membership donations.

Springtime on the Farm

The Spencer County SWCD was asked to present to third grade students again at Farm Bureau's event at the Spencer County 4-H fair. Courtney and Amy Sims (ISDA) spent the day teaching 3rd grade students about soil! We are always excited to be able to participate in agriculture education events!

Rockport Elementary

The Spencer County SWCD participated in the Science Night at Rockport Elementary on March 23. We used Legos to demonstrate the soil layers also showing the difference between healthy soil and highly eroded soil.

The SWCD made other interesting materials available for students and adults to take home and learn more about the importance of their own
